Overview to The Purpose-Mission-Vision Pages

To know and be true to one's Inner Life Purpose focuses on our own transformation, being our full-potential in all our roles. To explore and express one's Outer Life Purpose is to help transform our domains of influence and the world around us. Because our inner and outer purpose are similarly interwoven they form the "Hero-Heroines Quest" - a path of growth as we expand our capacity to serve manifesting our evolving Mission & Vision.

The Purpose - Mission-Vision Model is a three braided threads:
Your Life Purpose (inner and outer)...;
Your noble Organizations' Purpose…; & Living Legacy's Purpose. These three are interwoven to make the strong fiber of a visionary heart centered movement advancing the human spirit.

Belief it before you can see it.

Dare something Worthy.
