Our Life's Domains

Part 1 - Expressing our Capacity in all 'Life's Domains'

Updated 6/3/24

Rough Draft

The Continuum of Life's Journey, to Designing a Full Potential Life Architecture to Living One's Legacy

Living Legacy focuses on taking one's full potential out into the world, being of 'significance' - a positive influence in all the Domains of Your Life.

Dear Coheart & Cohort,

Through the Life Architecture we've garnered increasing full potential in All One's Rols this fitst section of Living Legagy focuses taking it out into the world and eing an positive influence in all the Domains of Your Life: home, community, institutions, work, professional association, fraternal order, schools, alma mater… Also supporting you uplift the group aspirations you identify with: gender, ethnicity, culture, race, disability, age... Plus helping advance the highest ideals of state and nation.

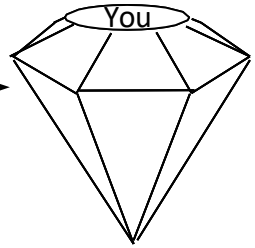

In the fully funded future, Living Legacy site's pages will be filled with annotated descriptions of each concept and extensive example resources: books videos, organizations. The intention is to create a comprehensive and integrated web portal for exploring and applying your full-potential in all the Domains of your life.

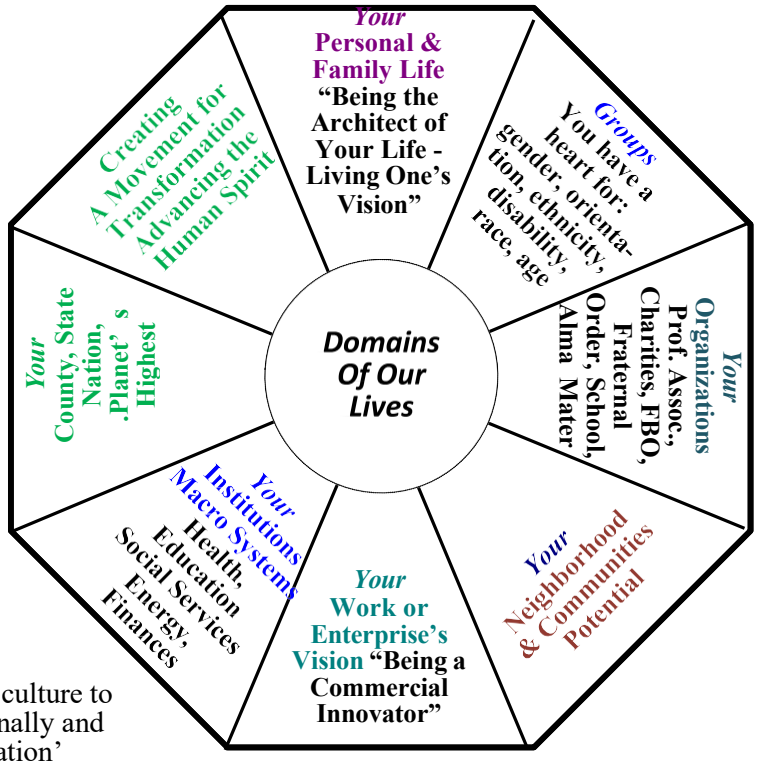

With Appreciation, Douglas

Vision + Manifestation x Character = Destiny

Our Domains of Influence

We are a gem with many facets

Being of Transformative Significance Influencing One's Domains of Influennce

2. Experiencing & Expressing;
3. Embracing & Empowering;
4. Evolving & Transforming;
5. Regenerating & Sustaining;

Building Living Legacy is most times connected to our Our Life Purpose

In Quantum Physics, we are either expanding or contracting (entropy). There is an old adage – 'Without a Vision the People Perish.' Or on th positive side – with This is the 'Fire in the Belly' philosophers exhort and poets extoll. 'Dare something worthy' is the hero's resolute response.

Fulfillment in the Age of Imagination

A Modern Renaissance Man is capable from culture to advocacy, wisdom to praxis, fulfilled – internally and externally. The forthcoming 'Age of Imagination' beckons us to a quantum shift.
